Welcome to MAYFAIR PARK RESIDENCES

Mayfair Park Residences is located on a quiet street in south-west Mayfair, overlooking Hyde Park. A remastering of three separate properties, the Residences feature two 18th-century classical façades incorporating Georgian grand porticos and ornate stonework, completely restored by skilled craftsmen. These historic frontages sit beside a modern counterpart clad in hand-cut travertine stone.

This super-prime London development offers an exclusive collection of homes ranging from exquisite one-bedroom pied-à-terres to an expansive triplex penthouse with rooftop gardens and swimming pool. Residents can access homes via the main reception, through the private townhouses on Stanhope Gate and Curzon Street or via the secure underground parking.

Clivedale London have collaborated with PLP Architecture and Jouin Manku to create one of the stand-out super-prime Residences on the market today. Fully managed by Dorchester Collection, the Residences feature extensive amenities including a 10,000 sq ft Health Club, state-of-the-art gymnasium and 20-meter swimming pool, making it a Mayfair home like no other.
